# *Terms & Conditions of Skip Hire* *2026*

**Due to continuous and ongoing changes being introduced by the Environmental Agency, please read through this carefully to understand the changes we have had to make.**

**To avoid any returned skips/surcharges please see below. The contents of the skip are the responsibility of the hirer.**

**Skip Hire Period is 7 – 10 days**

**Payment is required at time of booking**

**If you require the skip longer than this, please speak to one of the team who will be able to advise you of the options. We hold the right to charge £50 plus vat per week for Skips that have not been agreed outside of the usual hire periods.**

**We DO NOT accept any man-made floor or roof tiles, except for concrete, ceramic and natural slate. If in doubt, please contact us to avoid the returning of your skip.**

**With the ever-increasing volume & frequency of ASBESTOS being found in the skips we have had to implement the following to protect our staff and cover our additional costs. If any product that could potentially contain asbestos is found in the skip a £100 surcharge will AUTOMATICALLY apply.**

**You will have to arrange collection of the material from our yard by close of business the same day, failure to collect will lead to an automatic £75 surcharge. If larger quantities are found the skip will be returned to the address it was collected from. An additional charge for delivery & collection of the skip will apply with a weekly rental of £20 per week until the product has been removed and the skip returned.**

**All fines & fees quoted above are plus VAT.**

## Please find below our list of do's and don'ts

**Continued.**

# Skip Hire Terms & Conditions.

1. For the purposes of these conditions "Carrier" means Axe Skip Hire . "Customer/Producer" is the names hirer.
2. The hiring of the bin will commence on the date of delivery to the address shown on the delivery address.
3. The hiring charge will continue to be chargeable until the Customer/Producer has complied with all terms of the hire.
4. Payment shall be due on hire of the skip & will not be collected until payment has been received. Late payment will be charged at 2% above National Westminster Bank base rate.
5. The Customer/Producer warrants to the carrier that the information given at the time of hire is complete & accurate & the Customer/Producer hereby indemnifies the Carrier against all costs, claims, demands & liabilities in respect of any information which is or proves to be inaccurate & further indemnifies the Carrier against all fines, penalties & liabilities imposed on the Carrier or arising in respect of a non-compliance or contravention of any law or regulation relating to the container together with the costs or expenses thereto incurred by the Carrier.
6. The bin shall be loaded so that:-
    a. Dust will not escape whilst loading or travelling.
    b. The contents will not fall on the highway at rest or in transit, must be a level load.
    c. No inflammable, explosive, noxious,or dangerous materials or anything which is or becomes a nuisance is loaded
7. The Customer/Producer must:- Not board up the bin, Not light fires in the bin, Not overload the bin, Not remove or interfere with any identification mark on the bin, Notify the Carrier as soon as possible when the bin is full, Not re-site the bin, Immediately notify the Carrier of any accident or damage involving the bin
8. The Customer/Producer shall be solely responsible for & hold the Carrier fully indemnified against all claims, demands, liabilities, losses, damages, proceedings, costs, and expenses which may be brought against or incurred by the Carrier as a result of any accident involving the bin (other than death or personal injury resulting from the negligence of the Carrier, his employees or agents).
9. The Carrier warrants that where the bin is to be positioned on private property all such permissions as are necessary for access to the site and the depositing of the bin at that site have been obtained and will continue at all times throughout the hiring. Any disputes between site owner and customer/producer is not the responsibility of the carrier and full payment by either party will be due before the skip will be collected.
10. If the skip is situated off the public highway but is likely to be a cause or contributory cause of damage or injury to any person during the hours of darkness than the Customer/Producer shall provide adequate warning light on the bin and the Customer/Producer shall also guarantee the safe loading of waste in the bin.
11. Damage to bins will charged at cost of repair.
12. Missing or stolen bins shall be charged at cost of replacement.
13. The bin should not contain (see full details on our website or separate terms and conditions) to avoid surcharges or return of the skip.
14. The Customer/Producer shall be solely responsible for any damage when siting the container e.g. Damage to surfaces, drain covers, kerb stones and when placing the bin over a wall.
15. To comply with general data protection regulations (GDPR) we will handle your information in accordance with our new privacy notice which can be viewed in our website. www.axeskiphire.co.uk.
